

Westwood Police Department - Resource List for Residents

One of the impacts of COVID-19 is that we don't see each other as often. Purposefully, many might go weeks without being in direct contact with anyone outside of their homes. As a result, some of our friends, family or neighbors might be struggling with issues not previously experienced. We thought it was good time to put together a resource list if you know someone that needs help.

For anyone struggling financially or in need of other resources our local [United Way](#) can be a great resource. Call them on your cell at 211, or from a landline at 866-320-5764 or 816-474-5112. They are also available via email at 211kc@uwgkc.org. They cover numerous information and resources topics potentially impacted by COVID-19: Housing & Utilities, Health & Dental, Employment & Public Assistance, Food, Clothing & Household items, Consumer & Legal, Transportation, Mental Health, Disability Support, Military & Veterans and much more. Here's [one page](#) that might be of direct assistance.

If something is happening now that's a crime or emergency call 911 or 913-782-0720,

Physical Safety Related.

Suspicious of child or elder abuse and resources that might be available [Kansas Department of Children and Family Services](#) Hotline: 1-800-922-5330.

For domestic violence issues in Kansas go to [Safehome](#) or their hotline 913-262-2868 for resources and information.

For situations related to sexual violence call [MOCSA's](#) 24-hour Crisis Line: 816-531-0233 or 913-642-0233. Here are some of the [services](#) they provide.

For LGBTQ violence issues contact the Kansas City Anti-Violence Project ([KCAVP](#)) hotline: 816-348-3665 or email at info@kcvp.org

*****We are not endorsing any non-governmental agencies or facilities listed here. You should research any organization listed before you use them. There are other great resources available that aren't listed. But, because of these unusual times we wanted to at least start the conversation by showing that there are some available resources if you know someone in need.**

Stay safe, keeping looking out for one another and keep wearing those mask and social distance.
